

Mareeba Wildcats Open Swim Meet

Sunday 8th November 2009

Evacuation Plan

Cotter's Aquatics Swim & Fitness Mareeba Swimming Pool

In the unlikely need to evacuate the complex, please remain calm, listen to instructions given by management over the public address system and proceed in an orderly fashion.

Depending on the type of threat, there are two main evacuation points:

- ⊗ The first is via the entry/exit gates located in the main amenities building. The assembly point for this exit is on the far side of the park immediately as you leave the complex.
- ⊗ The second exit is via the swimming club house at the shallow end on the eastern side of the pool. The assembly point for this exit is the parkland adjacent to the roadway.

In the event of having to assemble within the complex itself, patrons will be directed to the tables adjacent to the male toilets. Further instructions will then be given as the need arises.

Thank you for your attention and enjoy your day!
